

How We Are Staying Safe and Serving Our Customers During the Coronavirus Outbreak

We hope you have remained safe during this virus outbreak! At G2 Insurance Services, we prioritize safety and are doing our part to take extra precautions to reduce the spread of COVID-19.

For the foreseeable future, our staff will be working from home and using email as our main source of communication. We think it is important to take the necessary sanitation steps and contribute to the Coronavirus reduction efforts.

We will still be providing our services to our amazing customers and do our best to continue working at the same level that you expect from G2 Insurance Services.

For a complete directory of emails and phone numbers, [use this link](#) to check out our team page on our website.

Sincerely,

Tom Gaumond CIC
